Subject: I support the demolition of 803 2nd Street

[THIS MESSAGE COMES FROM AN EXTERNAL EMAIL - USE CAUTION WHEN REPLYING AND OPENING LINKS OR ATTACHMENTS]

Hello,

I am a long time resident of South of Fifth. I live at 140 Jefferson and walk by this property every day.

I support the demolition of the property. It is an eyesore.

Please let the applicants demolish the structure so that something can be built that provides suitable housing in our community and enhances the neighborhood aesthetically.

Thank you,
Kris
