Re: **DRB23-0958** – Modification of DRB File No. 22964 – Request for Two Variances for
Minor Addition at the Property Located at 428 S. Hibiscus

Letter of Support

Dear Board Members:

I am the owner of 420 S. Hibiscus Dr., Miami Beach, Florida, which is in close proximity or abutting the above-referenced property. I had the opportunity to speak with the applicant's team to review plans, renderings and design requests for the proposed modification to renovate and add a small amount of livable area to the center of the second-floor of the existing single-family home for the family. The existing home is beautifully-designed and well-kept. The minor addition will not be visible, and therefore will have no impact.

Based on the foregoing, I fully support the applicant's modification to DRB File. No 22964 and ask the Design Review Board to grant the proposed minimal variances from the unit size and lot coverage requirements so this family may continue to use this great home.

Sincerely,

Signature
