Miami Beach FL 33139

Dear City of Miami Beach HEP Board, staff, and applicable personnel,

It is by this means that we kindly and formally request a Certificate of Appropriateness to be applied to the property at 1677 Collins Avenue regarding the following scope of work:

Addition of a rooftop deck on an existing roof at the third level of the subject hotel tower, as well as a new rooftop deck to an existing roof at the 5th (roof level) of a 4-story building all within the same property. Said rooftop decks are to be used by the individual guests and patrons of each room/suite as depicted in the submitted supporting documents.

Thank you for your consideration and time dedicated to this matter,
Sincerely yours,

Javier F. Fornaris Pau
Architect
