100 BLOCK ARTWALK CONCEPT

The Artwalk is an envelope in which local and national artists can compete in exchange for name recognition to create the iconic block-long experience of an outdoor museum of art from Collins Avenue to the Beach Gateway.

There will be specialized 3D paintings giving the perception of subterranean panoramas in the sidewalk. Above ground sculpture and other artistic depictions will line the sidewalk.

The Artwalk serves the dual purpose of re-linking Lincoln Road with its artistic heritage and encouraging pedestrians to avoid heavily trafficked areas on the block.
