STAFF ANALYSIS

The applicant is requesting a modification to the existing Conditional Use Permit (CUP) in order to change the membership interest on each of the entities associated with the ownership of this application, as condition 2 of the approved CUP requires the following:

2. This Conditional Use Permit is issued to HHLP Miami Beach Associates, LLC, HHLP Miami Beach Lessee, LLC, and 3921 Collins Avenue LLC, as owner/tenants/operators, of the Neighborhood Impact Establishment consisting of a restaurant, and various food and beverage operations. Any change of operator or 50% (fifty percent) or more stock ownership shall require review and approval by the Planning Board as a modification to this Conditional Use Permit.

In order to be consistent with recent CUP approvals, staff is recommending the following additional conditions:

- A. That the requirement for change of ownership be modified to require that any change of operator or 50% (fifty percent) or more stock ownership shall require the new operator or owner to submit an affidavit, approved by City, to the City of Miami Beach Planning Department, transferring approval to the new operator or owner and acknowledging acceptance of all conditions established herein prior to the issuance of a new Certificate of Use/Business Tax Receipt. A progress report shall be scheduled within 60 days followed by the submission and acceptance of the affidavit.
- B. That the applicant agrees and shall be required to provide access to areas subject to this CUP (not including private residences) for inspection by the City (i.e.: Planning, Code Compliance, Building Department, Fire Safety), to ensure compliance with the terms and conditions of this CUP.

These proposed new conditions have been incorporated into a revised MCUP (see attached). The rest of the conditions remain the same.

STAFF RECOMMENDATION

In view of the foregoing analysis, staff recommends that the application be approved subject to the conditions enumerated in the attached draft modified order.
