STAFF ANALYSIS

As identified above and mentioned in the previous Planning Board hearing on February 28, 2023, the Lincoln Eatery has received several violations for noise. In addition to the items listed above, there were six (6) other noise complaints made between June 10, 2022 and January 1, 2023, though they did not result in violations being issued. This pattern of non-compliance is of great concern to staff as it negatively impacts the quality of life of nearby residents. The following conditions of approval contained in the approved CUP are applicable regarding the above noted violations:

1. *This Conditional Use Permit is issued to PPF 723 Lincoln Lane, LLC, as owner/operator of the Lincoln Eatery for a Neighborhood Impact Establishment, consisting of an over 200 seat food service establishment with entertainment. 2. *The Applicant agrees to the following operational conditions for all permitted and accessory uses and shall bind itself, lessees, permittees, concessionaires, renters,*

- (7) The house sound system shall be installed and set in such a manner as to limit the acoustical output of the system and have password protected security on all controls at all times in accordance with the design intent and recommendations of the sound system study submitted as part of this application and the conclusions of the City's peer review.*

- 9. The Planning Board shall maintain jurisdiction of this Conditional Use Permit. The applicant shall appear before the Planning Board for a progress report within 90 days from the issuance of the BTR for the expanded use of the rooftop. The Board reserves the right to modify the Conditional Use approval at the time of a progress report in a non-substantive manner, to impose additional conditions to address possible problems and to determine the timing and need for future progress reports. - 10. The conditions of approval for this Conditional Use Permit are binding on the applicant, the property owners, operators, and all successors in interest and assigns.*
- 15. The establishment and operation of this Conditional Use shall comply with all the aforementioned conditions of approval; non-compliance shall constitute a violation of the Code of the City of Miami Beach, Florida, and shall be subject to enforcement procedures set forth in Section 114-8 of said Code and such enforcement procedures as are otherwise available. Any failure by the applicant to comply with the conditions of this Order shall also constitute a basis for consideration by the Planning Board for a revocation of this Conditional Use.*

Staff would emphasize that per Condition 15 of the CUP, the establishment and operation of this Conditional Use must comply with all the conditions of approval and non-compliance shall constitute a violation of the City Code. Additionally, the CUP is subject to enforcement procedures set forth in Section 114-8 of the Code and such enforcement procedures as are otherwise available.

This is the second time that a cure letter has been sent to this operator regarding non-compliance with the CUP. Additionally, even after the board scheduled a revocation/modification hearing, the operator is still not complying with the requirements of the CUP.

In view of the foregoing, and the continued pattern of non-compliance with the CUP, staff recommends that the Planning Board suspend the outdoor entertainment on the rooftop, per the attached draft order, and continue the revocation/modification hearing for six months.

STAFF RECOMMENDATION

Staff recommends that the Planning Board suspend the outdoor entertainment on the rooftop and continue the revocation/modification hearing for six months.

The applicant shall appear before the Planning Board for a progress report within 90 days from the issuance of the BTR for the expanded use of the rooftop. The Board reserves the right to modify the Conditional Use approval at the time of a progress report in a non-substantive manner, to impose additional conditions to address possible problems and to determine the timing and need for future progress reports. 13. This order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
14. The executed Conditional Use Permit shall be recorded in the Public Records of Miami-Dade County, Florida, at the expense of the applicant and returned to the Planning Department.
