SUBJECT: **PB24-0677. Elimination of 0.5 Bonus for Hotels.**

RECOMMENDATION

HISTORY

On December 13, 2023, at the request of Commissioner Alex Fernandez, the City Commission referred a discussion (item C4 N) pertaining to the .5 floor area ratio (FAR) bonus available to hotel uses in the CD-2 zoning district to the Land Use and Sustainability Committee (LUSC). Commissioners Tanya K. Bhatt, Joseph Magazine and David Suarez are the co-sponsors of the item.

On March 5, 2024, the LUSC discussed the item and recommended that the City Commission refer an ordinance amendment to the Planning Board to repeal the .5 FAR bonus for hotels in the CD-2 district along Alton Road, as well as in the North Beach CD-2 districts on Normandy Isle and along Collins Avenue. The LUSC continued the discussion pertaining to the .5 FAR bonus for hotels located in the CD-2 district along Collins Avenue south of 20th Street and Washington Avenue to the June 10, 2024 meeting.

On April 3, 2024, at the request of Commissioner Alex Fernandez, the City Commission referred an amendment to the Land Development Regulations to the Planning Board to eliminate the 0.5 FAR bonus for hotels in in certain CD-2 districts (item C4 B).

ANALYSIS

Pursuant to Section 7.2.11.3 of the Land Development Regulations of the City Code (LDRs), the maximum floor area ratio in the CD-2, commercial medium intensity, zoning district, is 1.5. However, "when more than 25 percent (25%) of the total area of a building is used for residential or hotel units," the maximum FAR is 2.0. The attached draft ordinance removes the .5 FAR bonus for a site containing a hotel unit, suite hotel unit or hostel in CD-2 districts along Alton Road, Normandy Drive / 71st Street and Collins Avenue in North Beach.

The proposed ordinance excludes the CD-2 districts on Collins Avenue south of 20th Street, as

The purpose of the proposed ordinance is to incentivize more residential units within the CD-2 districts.

RECOMMENDATION

In view of the foregoing analysis, staff recommends that the Planning Board transmit the proposed ordinance amendment to the City Commission with a favorable recommendation.
