Notice of the request was given as required by law and mailed out to owners of property within a distance of 375 feet of the exterior limits of the property upon which the application was made.

The Planning Board of the City of Miami Beach makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

- That the property in question is located in the RM-3 - Residential Multi Family, High Intensity Zoning District;

- That the intended use or construction will not result in an impact that will exceed the thresholds for the levels of service as set forth in the Comprehensive Plan;
- That structures and uses associated with the request are consistent with the Land Development Regulations;
- That the public health, safety, morals, and general welfare will not be adversely affected;
- That necessary safeguards will be provided for the protection of surrounding property, persons, and neighborhood values.

IT IS THEREFORE ORDERED, based upon the foregoing findings of fact and the staff report and analysis, which are adopted herein, including the recommendations, that the Conditional Use Permit be modified as requested, upon the following conditions to which the applicant has agreed:

1. The Planning Board shall maintain jurisdiction of this Conditional Use Permit. ~~The applicant shall provide a progress report to the Board within 90 days of the date of this public hearing regarding the implementation of the noise mitigation strategies as recommended by the sound consultant. If deemed necessary, at the request of the Planning Director, the applicant shall provide a progress report to the Board.~~ The Board reserves the right to modify the Conditional Use approval at the time of the progress report in a non-substantive manner, to impose additional conditions to address possible problems and to determine the timing and need for future progress reports. 2. The applicant shall resolve outstanding violations, fines and liens prior to the issuance of a Modified Certificate of Use or Occupational License, whichever may apply.

5. Vestibules shall be created at ~~each~~ the main entrance to further mitigate sound from traveling out to the right-of-way. This feature may require a redesign of the entrance features and shall be submitted to staff for review and approval. The exterior of the vestibule surround and entrance doors shall be clear and transparent. The interior of the vestibules shall be decorated to present an acceptable appearance through the transparent glass doors and surround at all hours of the day.
6. Business identification signs shall be limited to sign copy indicating the name of the establishment only, subject to design review staff approval. Street flyers and handouts shall not be permitted.

8. The hours of operation shall be as requested by the applicant, from 9:00 p.m. to 5:00 a.m., seven days a week, and as proposed by the applicant, no one under the age of 21 shall be permitted inside the premises. Non-compliance with this condition shall be deemed a violation of the final order and subject to the remedies as described in Sec. 118-194 of the City Code.
9. The Planning Board shall retain the right to call the operators back before them and modify the hours of operation should there be any additional complaints about loud, excessive, unnecessary, or unusual late night noise.
10. A violation of Section 46-152, Code of the City of Miami Beach, Florida (a/k/a "noise ordinance"), as amended and as these sections may in the future be renumbered, shall be deemed a violation of

this Conditional Use Permit and subject to the remedies as described in section 118-194, Code of the City of Miami Beach, Florida.

11. Prior to the issuance of a building permit, the applicant shall participate in a Transportation Concurrency Management Area Plan (TCMA Plan) by paying its fair share cost, as determined by the Transportation/Concurrency Management Division.
12. Stanchions shall be required along ~~both~~ the entrances for the queuing of patrons. In the event that there is queuing of people on the sidewalk impeding the free-flow of pedestrians on the sidewalk, the operator shall be required to have staff take action to remove such crowds from the sidewalk.
13. The applicant shall be responsible for maintaining the areas adjacent to the facility, such as the area of the street on Collins Avenue, in excellent condition, keeping these areas in a clean condition, free of all refuse, at all times.
14. A building permit to separate the two establishments physically ~~to permit the two areas to be combined~~ shall be obtained within one (1) year of this public hearing, and the project completed in accordance with the requirements of the Florida Building Code.
15. Non-compliance with any of the conditions specified herein shall be deemed a violation of this Conditional Use Permit and subject to the remedies as described in Section 118-194 of the City Code, including but not limited to revocation of this Permit.
16. A Modified Conditional Use Permit shall be recorded in the Public Records of Miami-Dade County at the expense of the applicant ~~prior to the issuance of a Building Permit for the interior modifications to this combined venue~~; compliance with the aforesaid conditions shall be a prerequisite to obtaining Certificate of Occupancy, or Occupational License, whichever may be necessary.
17. This order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
18. The establishment and operation of this Conditional Use shall comply with all the aforementioned conditions of this approval; non-compliance shall constitute a violation of the Code of the City of Miami Beach, Florida, and shall be subject to enforcement procedures set forth in Section 114-8 of said Code and such enforcement procedures as are otherwise available. Any failure by the applicant to comply with the conditions of this Order shall also constitute a basis for consideration by the Planning Board for a revocation of this Conditional Use.
