Staff would note that entertainment, which includes, but is not limited to, a DJ, live band, or music played at a volume that interferes with normal conversation, is strictly prohibited south of 5th Street. Condition 7.A.v. of the CUP clearly notes this prohibition. As indicated in the code citation issued on 1/31/2025, a live band was performing in the outdoor courtyard of the establishment. As there is no ambiguity that a live band constitutes entertainment, which is flagrant violation of the CUP, staff recommends that the Board set a revocation/modification hearing for May 6, 2025.

In accordance with the provisions of Section 2.5.2.5 of the Land Development Regulations of the City Code (LDRs), the Planning Board may set a public hearing for the purpose of examining the noncompliance issues and initiate modification/revocation proceedings. Should the Planning Board set a public hearing for the purpose of examining the noncompliance issues noted herein, and initiate modification/revocation proceedings, this matter would be placed on the May 6, 2025, agenda of the Board as a modification/revocation hearing. Based on substantial competent evidence, the board may consider revoking the approval, modifying the conditions thereof, or imposing additional or supplemental conditions.

STAFF RECOMMENDATION

Staff recommends that the Board hear testimony from the applicant and the public and set a revocation/modification hearing for May 6, 2025.
