*Re: Raspoutine Miami LLC: Modification of Conditional Use Permit PB2277*

Dear Mr. Mooney:

This law firm represents Raspoutine Miami, LLC (“Raspoutine”). On behalf of Raspoutine, we are applying for a modification to Conditional Use Permit PB2277 (“CUP”) to change the owner from Bagatelle Miami LLC to Raspoutine.

Raspoutine accepts all of the conditions in the CUP, and confirms that it will comply with the existing approved operational plan. No changes are proposed. For your reference, we include copies of the existing approved floor plan and operational plan. We point out that Bagatelle Miami LLC, the current owner, is a 50% owner of Raspoutine; accordingly, operations will not change.

We look forward to appearing at the June, 2021 Planning Board meeting.

Sincerely,

*Bob de la Fuente*
