Miami Beach, FL 33139

Dear Mr. Madan,

Pursuant to the City of Miami Beach Planning Department's determination of the certification necessary under § 2.2.4.1 of the City of Miami Beach's Resiliency Code, I am submitting the attached affidavit and exhibit to certify that I have followed the correct procedures for identifying owners of record of land lying within 375 feet of the 1500 Bay Rd, Miami Beach, FL, 33139, in accordance with instructions provided by the City of Miami Beach Planning Department.

Thank you for your attention to this matter. Please do not hesitate to contact me if you require any additional information.

Sincerely,

Barbara Frommell  
Senior Director of Government and Community Relations  
AIR Communities  
barbara.frommell@aircommunities.com

## **Affidavit of Barbara Frommell**

I, Barbara Frommell, submit this affidavit to certify that I have followed the correct procedures for identifying owners of record of land lying within 375 feet of the 1500 Bay Rd, Miami Beach, FL, 33139 (“Flamingo”), in accordance with section 2.2.4.1 “Public Notification” of the City of Miami Beach's Resiliency Code and in accordance with instructions provided by the City of Miami Beach Planning Department. I have personal knowledge of the information in this Affidavit, unless otherwise specified.

1. I am Senior Director Government and Community Relations for Apartment Income REIT Corp. (“AIR Communities”). AIR Communities owns and manages the Flamingo property.

2. I have a Master of Urban and Regional Planning degree from the University of Illinois, Urbana-Champaign, with a concentration in Geographic Information Systems (GIS) and spent ten years as a city planner working with GIS systems.

3. Rogelio Madan with the City of Miami Beach Planning Department instructed me to use Miami-Dade County's online Public Notifications website

(<https://gisweb.miamidade.gov/PublicNotification/>) (the “Public Notifications Website”)

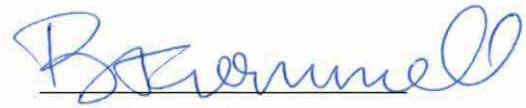

and to follow the directions on the website to obtain the address list for the owners of record of land within a 375-foot buffer around the entire Flamingo property to provide the certification necessary under Section 2.2.4.1 of the City of Miami Beach's Resiliency Code.

4. On July 11, 2024, I used the Public Notifications Website and followed the directions on the website to obtain the address list for the owners of record of land within a 375-foot buffer around the entire Southgate property. The Flamingo property is a large

complex with several parcels and addresses. The office is located at 1500 Bay Rd. I used 1420 Bay Rd, which best captures the entire Flamingo property. Then I created a 375-foot buffer from that parcel. I downloaded the addresses within that buffer directly from the county GIS system to create the address labels which were then provided to you for the purposes of public notification. I then downloaded screenshots from the Public Notifications Website to document my process, a true and correct copy of which is attached hereto as **Exhibit A**.

This statement is true to the best of my knowledge and given with my complete consent.

(the rest of this page is left intentionally blank)

Barb Frommell
