Subject: 50W Di Lido

Dear DRB members,

I live at 808 W Dilido Dr, on the same street and island as the proposed house at 50 W Di Lido.

I have reviewed the proposed project and would like to express my support for the approval of the plans presented.

In particular I attract your attention to the ample landscaping that is shown on the renderings of the street side and encourage you to ensure that the plans actually meet the rendering. I find that ample landscaping is essential to the beauty of our neighborhood.

Thank you for considering my view of this project,

Respectfully,

EMMANUEL SEBAG
