IN RE: An application has been filed requesting Design Review Approval for the construction of a new private marina and related amenities, with one or more waivers, to be located on a vacant lot.

LEGAL: See Exhibit "A"

APPLICANTS: One Island Park LLC

ORDER

The City of Miami Beach Design Review Board makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

I. Design Review

- A. The Board has jurisdiction pursuant to Section 2.1.3.1 of the Land Development Regulations. The property is not located within a designated local historic district and is not an individually designated historic site.
- B. Based on the plans and documents submitted with the application, testimony and information provided by the applicant, and the reasons set forth in the Planning Department Staff Report, the project as submitted is inconsistent with Design Review Criteria i, and s in Section 2.5.3.1 of the Land Development Regulations.
- C. Based on the plans and documents submitted with the application, testimony and information provided by the applicant, and the reasons set forth in the Planning Department Staff Report, the project as submitted is inconsistent with Sea Level Rise Criteria 1 in Section 7.1.2.4(a)(i) of the Land Development Regulations.
- D. The project would be consistent with the criteria and requirements 2.5.3.1 and/ or Section 7.1.2.4(a)(i) if the following conditions are met:
 - 1. Revised elevation, site plan, and floor plan drawings for the proposed new private marina and amenities at 120 MacArthur Causeway shall be submitted, at a minimum, such drawings shall incorporate the following:

DS

- a. All required parking must be located within the property and not within the public right-of-way.
 - b. No parking may occur between the gatehouse gates and the edge of roadway. All parking that exceeds the six (6) allotted guest parking spaces are required to park within the interior road network.
 - c. The final details, color and material finish providing the appearance of limestone cladding proposed for the roof eaves and parapet, including samples, shall be submitted, in a manner to be reviewed and approved by staff, consistent with the Design Review Criteria and/or the directions from the Board.
 - d. The final details, color and material finish providing the appearance of honed limestone proposed on the exterior walls, including samples, shall be submitted, in a manner to be reviewed and approved by staff, consistent with the Design Review Criteria and/or the directions from the Board.
 - e. The final details, color and finish of the "timber slatted" sliding screen proposed on the third floor of the third floor of the marina pavilion, including samples, shall be submitted, in a manner to be reviewed and approved by staff, consistent with the Design Review Criteria and/or the directions from the Board.
 - f. The final details of all exterior surface finishes and materials, including samples, shall be submitted, in a manner to be reviewed and approved by staff consistent with the Design Review Criteria and/or the directions from the Board.
 - g. Prior to the issuance of a Certificate of Occupancy, the project Architect shall verify, in writing, that the subject project has been constructed in accordance with the plans approved by the Planning Department for Building Permit.
 - h. URBAN HEAT ISLAND ORDINANCE Section 7 5.3.2(g)(iv) new driveways and parking areas that are open to the sky within any required yard shall be composed of porous pavement or shall have a high albedo surface consisting of a durable material or sealant, as defined in Section 1.2.1 of this Code, and (v) Driveways and parking areas composed of asphalt that does not have a high albedo surface, as defined in Section 1.2.1, shall be prohibited.
 - i. Prior to the issuance of a Certificate of Occupancy, the project Architect shall verify, in writing, that the subject project has been constructed in accordance with the plans approved by the Planning Department for Building Permit.
2. A revised landscape plan shall be prepared by and bear the seal of a Landscape Architect licensed to practice in the State of Florida. The corresponding landscape plans shall be submitted to and approved by staff. At a minimum, landscape plans

shall comply with Chapter 46 Tree Preservation and Protection Ordinance of the City Code and Chapter 4, Landscape Requirements of the Land Development Regulations and shall incorporate the following:

- a. Any existing canopy shade tree(s) on site with a caliper size of 4" of greater being impacted by the construction shall be carefully root pruned, protected and/or relocated. This shall not apply to prohibited tree species. A Tree Disposition Plan shall be provided for Planning staff review and approval prior to the issuance of a Building Permit.
- b. Prior to the issuance of a building permit, the applicant shall submit a tree survey and tree disposition plan that includes the approved tree protection fencing detail for existing mature trees and palms to remain. Such plans shall be subject to the review and approval of staff. A tree work permit shall be obtained prior to the removal of any existing trees and palms.
- c. In new construction projects, street trees are required within the public right of way. Street trees are in addition to the required lot trees according to the Chapter 2 Landscape Ordinance. All proposed street tree plantings shall be reviewed and approved by the Public Works Department and a right of way permit shall be obtained prior to any plantings in the right of way.
- ~~d. Suspended paver systems such as Silva Cells or equal shall be installed where street trees are planted in right of way sidewalk and other hardscape areas in a manner to be reviewed and approved by staff. Suspended paver systems shall be clearly delineated in the landscape plans. Structural soils may be considered where proposed trees are located immediately adjacent to large open space areas.~~
- e. Root guards or barriers shall be installed to protect utilities and structures within close proximity of proposed tree plantings. The root guards shall be clearly delineated in the landscape plans and shall be reviewed and approved by staff.
- f. Irrigation systems shall be designed and installed corresponding to the water requirements of the proposed plantings and as required in the Chapter 2 Landscape Ordinance. The irrigation system shall be extended into the public right of way. A rain shut off device is required to be installed as part of the irrigation system.
- a. The applicant shall verify, prior to the issuance of a Building Permit, the exact location of all backflow preventors and all other related devices and fixtures. The location of backflow preventors, Siamese pipes or other related devices and fixtures, if any, and how they are screened with landscape material from the right-of-way, shall be clearly indicated on the site and landscape plans, and shall be subject to the review and approval of staff.
- b. The applicant shall verify, prior to the issuance of a Building Permit, the exact location of all applicable FPL transformers or vault rooms. The

location of any exterior transformers and how they are screened with landscape material from the right of wall shall be clearly indicated on the site and landscape plans and shall be subject to the review and approval of staff.

- g. Prior to the issuance of a Certificate of Occupancy, the Project Landscape Architect shall verify in writing that the project is consistent with the site and landscape plans approved by the Planning Department for Building Permit.

In accordance with section 2.2.4.8 of the Land Development Regulations, the applicant, the City Manager, Miami Design Preservation League, Dade Heritage Trust, or an affected person may appeal a decision of the design review board for design review approval only to the city commission, except that orders granting or denying a request for rehearing shall not be reviewed by the commission.

II. Variance(s)

- A. No variance(s) were filed as part of this application.

The decision of the Board regarding variances shall be final and there shall be no further review thereof except by resort to a court of competent jurisdiction by petition for writ of certiorari.

III. General Terms and Conditions applying to both 'I. Design Review' and 'II. Variances' noted above.

- A. Prior to the issuance of a building permit for any work approved herein, the applicant shall comply with the following, pursuant to the recommendations of the Biscayne Bay Shoreline Development Review Committee, as established in Chapter 33D of the Miami-Dade County Code.
 1. The applicant shall provide a monetary contribution to the Biscayne Bay Environmental Enhancement Trust Fund in the amount of \$230,000.00. This monetary contribution shall be used towards improving Biscayne Bay access on existing or future municipal (City of Miami Beach) facilities located within or abutting the Biscayne Bay Shoreline Development Review Boundary area as described in Chapter 33D of the County Code.
 2. The applicant shall develop an educational program to share with the public regarding the planned coral restoration project on site.
- B. The applicant shall coordinate with the City of Miami Beach Transportation & Mobility Department to implement an acceptable Transportation Demand Management (TDM) Implementation Plan, per the TDM strategies outlined in the most recent Traffic Impact Statement dated September 15, 2025, prior to the issuance of a Building Permit.
- C. All new construction over 7,000 square feet shall be required to be, at a minimum, certified as LEED Gold by USGBC. In lieu of achieving LEED Gold certification, properties can

elect to pay a sustainability fee, pursuant to Section 7.1.3.2 of the Land Development Regulations. This fee is set as a percentage of the cost of construction.

- D. Upon the issuance of a final Certificate of Occupancy or Certificate of Completion, as applicable, the project approved herein shall be maintained in accordance with the plans approved by the board and shall be subject to all conditions of approval herein, unless otherwise modified by the Board. Failure to maintain shall result in the issuance of a Code Compliance citation, and continued failure to comply may result in revocation of the Certificate of Occupancy, Completion and Business Tax Receipt.
- E. All allowable construction signage shall be in accordance with Section 6.3.2 of the Land Development Regulations.
- F. The building and parking departments shall approve a construction parking plan prior to the issuance of any building permit, including applicable demolition permits for the project.
- G. The applicant shall ensure that the contractor(s) observe good construction practices and prevent construction materials and debris from impacting the right-of-way.
- H. The contractor(s) shall ensure that the street and the alley directly abutting the construction site remains free of debris and refuse at all times; at a minimum, the contractor(s) shall inspect and clear the street and alley areas before leaving at the end of each day.
- I. This order shall be enforced by the Building, Planning, Parking and Code Compliance Departments.
- J. A recycling/salvage plan shall be provided as part of the submittal for a demolition/building permit, in a manner to be reviewed and approved by staff.
- K. A copy of all pages of the recorded Final Order shall be scanned into the plans submitted for building permit and shall be located immediately after the front cover page of the permit plans.
- L. The Final Order shall be recorded in the Public Records of Miami-Dade County, prior to the issuance of a Building Permit.
- M. Satisfaction of all conditions is required for the Planning Department to give its approval on a Certificate of Occupancy; a Temporary Certificate of Occupancy or Partial Certificate of Occupancy may also be conditionally granted Planning Departmental approval.
- N. The Final Order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
- O. The conditions of approval herein are binding on the applicant, the property's owners, operators, and all successors in interest and assigns.

P. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.

IT IS HEREBY ORDERED, based upon the foregoing findings of fact, the evidence, information testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which are adopted herein, including the staff recommendations, which were amended and adopted by the Board, that the **application** is GRANTED for the above-referenced project subject to those certain conditions specified in Paragraph I, II, III of the Finding of Fact, to which the applicant has agreed.

PROVIDED, the applicant shall build substantially in accordance with the revised plans, entitled "One Island Park", as designed by **BMA Architects**, signed, sealed, and dated September 27, 2025, and as approved by the Design Review Board, as determined by staff.

When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions of approval that must be satisfied prior to permit issuance, as set forth in this Order, have been met.

The issuance of the approval does not relieve the applicant from obtaining all other required Municipal, County and/or State reviews and permits, including final zoning approval. If adequate handicapped access is not provided on the Board approved plans, this approval does not mean that such handicapped access is not required. When requesting Building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order.

If the Full Building Permit for the project is not issued within eighteen (18) months of the meeting date at which the original approval was granted, the application will expire and become null and void, unless the applicant makes an application to the Board for an extension of time, in accordance with the requirements and procedures of Section 2.2.4.6 of the Land Development Regulations; the granting of any such extension of time shall be at the discretion of the Board. If the Full Building Permit for the project shall expire for any reason (including but not limited to construction not commencing and continuing, with required inspections, in accordance with the applicable Building Code), the application will expire and become null and void.

In accordance with Chapter 2 of the Land Development Regulations, the violation of any conditions and safeguards that are a part of this Order shall be deemed a violation of the land development regulations of the City Code. Failure to comply with this **Order** shall subject the application to Chapter 2 of the Land Development Regulations, for revocation or modification of the application.

Meeting Date: November 4, 2025

IT IS THEREFORE ORDERED, based upon the foregoing findings of fact, the evidence, information, testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which is adopted herein, including staff recommendations, as may have been modified by the Planning Board, that a Conditional Use Permit as requested and set forth above, be GRANTED subject to the following conditions to which the applicant has agreed.

1. This Conditional Use Permit is issued to One Island Park LLC, as the owner and operator of the private marina. Any change of operator or ownership, regardless of the percentage of ownership change, shall require the new operator or owner to submit an affidavit, approved by City, to the City of Miami Beach Planning Department, transferring approval to the new operator or owner and acknowledging acceptance of all conditions established herein prior to the issuance of a new Certificate of Use/Business Tax Receipt. A progress report shall be scheduled within 60 days followed by the submission and acceptance of the affidavit.
2. A progress report shall be scheduled every six (6) months from the date of the issuance of a Temporary Certificate of Occupancy (TCO) or Certificate of Occupancy (CO) whichever occurs first, for a period of two (2) years.
3. The Applicant agrees to the following operational conditions for all permitted and accessory uses and shall bind itself, lessees, permittees, concessionaires, renters, guests, users, successors and assigns and all successors in interest in whole or in part to comply with the following operational and noise attenuation requirements and/or limitations. The applicant shall ensure through appropriate contracts, assignments and management rules that these restrictions are enforced and the applicant agrees to include the rules and regulations set forth in these conditions in any contract or assignment:
 - A. Waste collection shall only occur between 10:00 a.m. and 4:00 p.m. daily.
 - B. All loading operations shall take place on-site.
 - C. Adequate trash room space, air conditioned and noise baffled, shall be provided, in a manner to be approved by the Planning and Public Works Departments. Sufficient interior space must be provided so that doors can remain closed while trash and trash bags are being deposited in dumpsters. Doors shall remain closed and secured when not in active use. The trash room shall be sufficiently sized to accommodate enough dumpsters so that more than one pick up of garbage per day will not be necessary.
 - D. Except as may be required for Fire, Building, or Life Safety Code purposes, any speakers or televisions on the exterior of the premises shall be oriented away from United States Coast Guard Base Miami Beach and shall not exceed ambient levels (i.e. a volume that does not interfere with normal conversation).
 - E. No exterior bars or accessory outdoor bar counters shall be permitted anywhere on the premises, unless authorized as part of a Special Event Permit.
 - F. Commercial uses on the rooftop shall be prohibited.
 - G. Entertainment shall be prohibited on the premises, unless authorized as part of a Special Event Permit as determined by the Tourism and Culture Department.
 - H. Special Events and Special Event Permits shall be subject to the following conditions:

Page 3 of 5
PB25-0784, 120 MacArthur Causeway
Meeting Date: November 4, 2025

- i. Notice of any Special Event Permit application shall be transmitted to the Commanding Officer for United States Coast Guard Base Miami Beach. Prior to the issuance of any Special Event Permit, the property owner shall obtain the written consent of the United States Coast Guard, which shall include consent to the proposed operational plan, and shall transmit such consent in writing to the Tourism and Culture Department.
 - ii. No more than eight (8) Special Event Permits shall be granted for the subject property within each calendar year. No more than five (5) of the eight (8) permitted Special Events may occur during a Major Event Period as defined in the City's Special Events Requirements and Guidelines 2025, as may be amended. For Special Events hosting more than one-hundred and fifty (150) people, the owner shall coordinate and offer collective transportation of guests.
 - iii. All parking associated with a Special Event shall be contained within Terminal Island.
 - iv. There shall be no queuing of vehicles along MacArthur Causeway as part of any Special Event Permit.
 - v. No Special Event Permit may be requested prior to the issuance of a Temporary Certificate of Occupancy (TCO) or Certificate of Occupancy (CO), whichever occurs first.
 - vi. A Special Event Permit will be required for private events meeting the applicable criteria in Chapter 12, Article II of the City Code, entitled "Special Events." As part of any Special Event Permit, an Operational Plan must be provided to the City's Transportation and Parking Departments, which will include provisions for traffic management to minimize impacts to the public right-of-way.
 - I. No parking may occur between the gatehouse gates and the edge of roadway. All parking that exceeds the six (6) allotted guest parking spaces located at the front of the property are required to park within the interior road network.
 - J. The applicant shall coordinate with the City of Miami Beach Transportation & Mobility Department to implement an acceptable Transportation Demand Management (TDM) Implementation Plan, per the TDM strategies outlined in the most recent Traffic Impact Statement dated September 15, 2025, prior to the issuance of a Building Permit.
4. The Planning Board shall maintain jurisdiction of this Conditional Use Permit. The applicant shall appear before the Planning Board for a progress report within 90 days from the issuance of the BTR. The Board reserves the right to modify the Conditional Use approval at the time of a progress report in a non-substantive manner, to impose additional conditions to address possible problems and to determine the timing and need for future progress reports. This Conditional Use is also subject to modification or revocation under Section 2.5.2.5 of the Resiliency Code.
 5. The conditions of approval for this Conditional Use Permit are binding on the applicant, the property owners, operators, and all successors in interest and assigns.

Meeting Date: November 4, 2025

6. Substantial modifications to the plans submitted and approved as part of the application, as determined by the Planning Director or designee, may require the applicant to return to the Board for approval.
7. The applicant, now and in the future, shall abide by all the documents and statements submitted with this application.
8. The applicant shall satisfy outstanding liens and past due City bills, if any, to the satisfaction of the City prior to the issuance of a business tax receipt ("BTR").
9. A violation of Chapter 46, Article IV, "Noise," of the Code of the City of Miami Beach, Florida (the "Noise Ordinance"), as may be amended from time to time, shall be deemed a violation of this Conditional Use Permit and subject to the remedies as described in Section 2.5.2.5 of the Land Development Regulations (LDRs) of the City of Miami Beach, Florida, entitled "Compliance with conditions; revocation or modification".
10. The applicant agrees and shall be required to provide access to areas subject to this CUP (not including private residences) for inspection by the City (i.e.: Planning, Code Compliance, Building Department, Fire Safety), to ensure compliance with the terms and conditions of this CUP.
11. This order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
12. The executed Conditional Use Permit shall be recorded in the Public Records of Miami-Dade County, Florida, at the expense of the applicant. No building permit, certificate of occupancy, or certificate of completion shall be issued until this requirement has been satisfied.
13. The establishment and operation of this Conditional Use shall comply with all the aforementioned conditions of approval; non-compliance shall constitute a violation of the Code of the City of Miami Beach, Florida, and shall be subject to enforcement procedures set forth in Section 1.3.7 of the Land Development Regulations (LDRs), entitled "Enforcement," and such enforcement procedures as are otherwise available. Any failure by the owner, applicant or operators to comply with the conditions of this Order shall also constitute a basis for consideration by the Planning Board for a revocation of this Conditional Use permit.
14. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.

Dated this 11/4/2025 day of 3:11 PM EST, 2025.
