Certification of Property's Owner's List

Dear Giselle Deschamps,

I am writing to confirm that I have prepared the property owner's list for the Venetian Causeway's Certificate of Appropriateness application using publicly available data provided by Miami-Dade County. The information was obtained from official public records and compiled in accordance with applicable guidelines.

Please let me know if you require any additional documentation or clarification regarding the data sources or methodology used in preparing this list.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrea Rivera".
