SPECIFIC PURPOSE SURVEY

MIA - 035

LOCATION MAP

Not to Scale

A portion of Drexel Avenue and Espanola Way, Right of Way, lying on the said intersection and being in City of Miami Beach, Miami-Dade County, Florida.

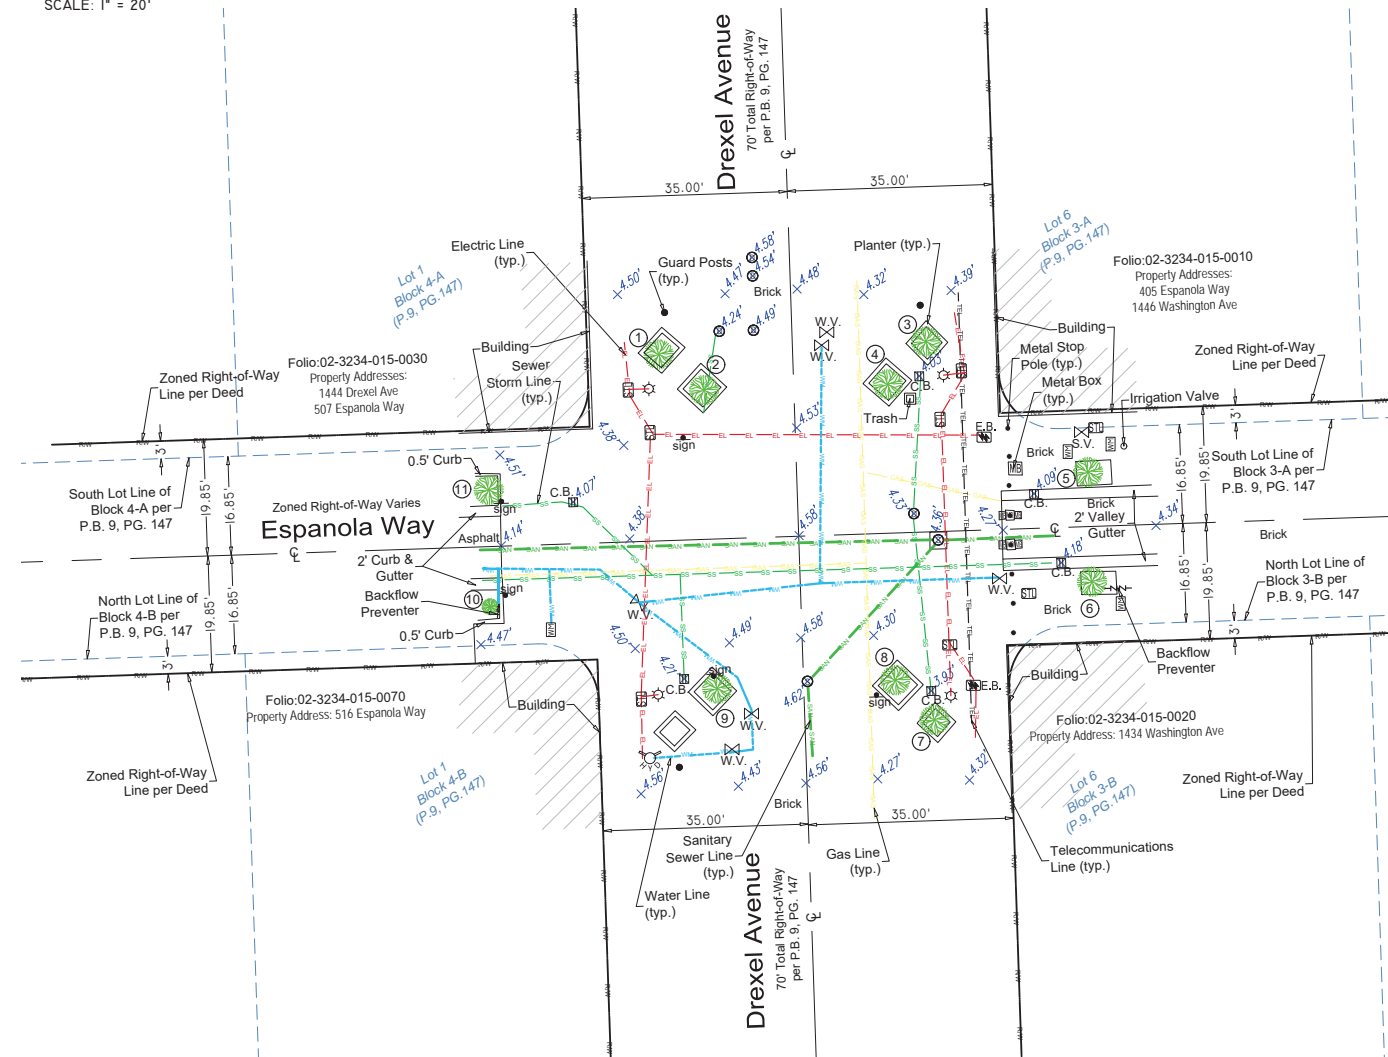

SURVEYOR'S REPORT AND GENERAL NOTES

(Not valid without the attached Survey Map)

1. This is not a Boundary Survey.
2. These lands are subject to additional restrictions of record that were not furnished to the undersigning registered surveyor. A title search has not been performed by the surveyor.
3. North arrow direction is based on an assumed Meridian. Bearings are based on an assumed meridian on a well-established line, said line is being noted as BR on the Survey Map.
4. Only above ground improvements are shown herein. Foundations, underground features and utilities have not been located by this surveyor. Refer to SUE effort notes below.
5. Survey markers found in the field have no identification unless otherwise shown. Any survey marker set by our company is labeled LB 7262 or PSM 6169.
6. This Survey Map is intended to be displayed at the scale shown hereon. Data is expressed in U.S. Survey Foot.
7. This Survey Map is being prepared for the use of the party/parties that it is certified to and does not extend to any unnamed individual, entity or assignee.
8. **FLOODPLAIN INFORMATION:** As scaled from Federal Insurance Rate Map (FIRM) of Community No. 120651 (City of Miami Beach), Panel 0317, Suffix L, revised on Sept 11th, 2009, this real property falls in Zone "AE" with Base Flood Elevation 8 feet (NGVD 1929).
9. **HORIZONTAL ACCURACY:** Accuracy obtained thru measurements and calculations meets and exceeds the minimum horizontal feature accuracy for a Suburban area being equal to 1 foot in 7, 500 feet.
10. **VERTICAL CONTROL AND ACCURACY:** The elevations as shown are referred to the National Geodetic Vertical Datum of 1929 (NGVD 1929). The closure in feet, as computed, meets the standard of plus or minus 0.05 feet times the squared root of the loop distance in miles. Elevation are based on a level loop from and to the following official Bench Marks:
Bench Mark # 1: Miami-Dade County Public Works Department Bench Mark D-149. Elevation = 4.18 feet (NGVD29)
Bench Mark # 2: Miami-Dade County Public Works Department Bench Mark D-148-R. Elevation = 6.35 feet (NGVD29)
11. **SUE NOTES:** Subsurface Utility investigation was performed by South Florida Utility Location Services using GPR (Ground Penetrating Radar) and RD (Radiodetection Technology) for designation and location of underground facilities. The horizontal accuracy of this method is +/- 1.5 feet approximately, and is subject to equipment limitations. This Survey depicts the location of the marks indicating the approximate location of the buried pipes and conduits. There might be additional underground facilities not discovered at the time of this survey. Underground utility references as shown on this survey drawing is solely based on information marked on the field by South Florida Utility Location Services for this project. Contact information below:
