**ELECTRICAL NOTES**

1. All work performed under this contract shall comply with all applicable codes and regulations of the City of Miami Beach, Florida, and the State of Florida, and shall conform to the National Electrical Code (NEC) as amended through the 1990 edition.
2. The completed installation shall be fully guaranteed against defective materials and/or improper workmanship for a period of one year from the date of completion.
3. The contractor shall be responsible for obtaining all necessary permits and for the cost thereof.
4. The contractor shall be responsible for the safety of all workers and the public during the course of the project.
5. The contractor shall be responsible for the protection of all existing utilities and structures on the site.
6. The contractor shall be responsible for the removal and disposal of all debris and materials from the site.
7. The contractor shall be responsible for the maintenance of all access ways and parking areas throughout the project.
8. The contractor shall be responsible for the coordination of all work with other trades and agencies.
9. The contractor shall be responsible for the completion of all work within the specified time frame.
10. The contractor shall be responsible for the payment of all bills and invoices.
11. The contractor shall be responsible for the maintenance of all records and drawings.
12. The contractor shall be responsible for the training of all personnel.
13. The contractor shall be responsible for the safety of all workers and the public during the course of the project.
14. The contractor shall be responsible for the protection of all existing utilities and structures on the site.
15. The contractor shall be responsible for the removal and disposal of all debris and materials from the site.
16. The contractor shall be responsible for the maintenance of all access ways and parking areas throughout the project.
17. The contractor shall be responsible for the coordination of all work with other trades and agencies.
18. The contractor shall be responsible for the completion of all work within the specified time frame.
19. The contractor shall be responsible for the payment of all bills and invoices.
20. The contractor shall be responsible for the maintenance of all records and drawings.
21. The contractor shall be responsible for the training of all personnel.
22. The contractor shall be responsible for the safety of all workers and the public during the course of the project.
23. The contractor shall be responsible for the protection of all existing utilities and structures on the site.
